## Conflict Minerals Declaration

Dear Customer

This letter is to assure you that Printex products manufactured by Sigma Inks do not contain any of the minerals listed in the CMRT, i.e. tin, tantalum, tungsten or gold.

As of this date, this declaration takes place by ensuring the absence of any of the minerals monitored by the Responsible Minerals Initiative (RMI).

In addition, Printex complies with CMRT revision 6.31 set on May 26, 2023.

Regards,  
Sabrina J. Cervantes
